12 LANGUAGE LINE SERVICES, INC.,

13 Plaintiff,

14 vs.

15 LANGUAGE SERVICES ASSOCIATES,
16 LLC, et al.,

17 Defendants.

No. C 10-02605 JW

DISCOVERY REPORT NO. 2

18 Pursuant to the Order of Appointment, the Special Master files this interim report:

19 The Special Master continues to meet and confer with counsel.

20
21 Mr. Joel Resnick of Evolver has completed the process of imaging defendants'
22 computers, including those of the individual defendants Schwartz and Curtin. Mr. Resnick
23 is now searching the data with the agreed upon search terms and advises that the data
24 should be available for privilege review during the week of September 27, 2010.

25
26 Individual defendants Schwartz and Curtin will have the opportunity to review the
27 computer data imaged by Mr. Resnick on or about September 30, 2010, so as to be able to
28 answer certain interrogatories propounded to them by plaintiffs. Those interrogatory

1 answers will be due ten (10) days after Schwartz and Curtin have completed their review of
2 the data. The parties had agreed to a Protective Order. Magistrate Trumbull found some
3 inadequacies in that Protective Order and the parties are working to revise it, so as to
4 satisfy the Magistrate's Order.

5 The Special Master anticipates that within approximately thirty (30) days time,
6 privilege logs will have been produced and that he will be in a position to rule on any
7 objections to claims of privilege. Following that process, the unprivileged data should be
8 available to all parties.

9
10 Respectfully submitted,
